

Year One Home Learning
Week beginning 30th March 2020

Hello Poplar and Hawthorn!

This week your challenge is to write some sentences about spring and the changes that happen. Maybe you are noticing some changes in your garden, or have you noticed that the weather is feeling different?

When you have written your sentences please draw a spring picture.

Extra Challenge...

Can you create a picture of one of the flags of the UK?
You could use collage, paint, crayons or pastels.

Don't forget to check Purple Mash as we are
setting some activities on there too.

Have fun!

Mrs Jenkins and Mr Coombs
