

Year 2 HISTORY DAY  
Wednesday 6th April 2022

On Wednesday 6th April Year 2 (Beech and Fir) will be having a HISTORY DAY where we learn about what schools were like 100 years ago when Roald Dahl was a school boy.

We will be taking part in lots of activities to help the children understand and experience how different school life was 100 years ago. Some of the activities will include writing on slates, chanting times tables and standing up when the teacher enters the room! We will also learn about what St. John's School was like 100 years ago and walk down to the old school site near St. John's Church.

On Wednesday 6th April we would like the children to come to school dressed up as school children 100 year ago. Some ideas might include -

- Shorts, long socks, shirts, waistcoats/jackets, ties/bow ties, black or brown shoes or boots
  
- Pinafore dresses/skirts, tights/long socks, shirts/long sleeved tops, hair in plaits. black or brown shoes or boots

We will start learning about schools in the past next week so children will already have some knowledge of what children wore 100 years ago. To inspire you here is a photograph of children at St. John's School 100 years ago.

We are looking forward to having lots of fun and bringing history to life for the children!

Thank you so much for your support.

Mrs Llewellyn and Mrs Jackson
