LEARNING IN SCHOOL

LEARNING AT HOME

ST JOHN'S STORY TIME

Staff have found a fun way to work from home and stay in touch with the children at the same time! Please take a look on the school website on the Home Learning page, and you will find two 'Story Time' tabs. These have links to videos of staff reading stories - whole stories and chapter books - and we will continue to upload new videos every day. If any older children would like to film themselves reading a story, please send videos to the school inbox and we will upload as many as we can.

FREE SCHOOL MEALS

We are trying to ensure that families entitled to a free school meal under the Pupil Premium provision continue to receive them even when children are at home. At the moment, this has meant collecting a picnic lunch from school, but we are working on other options, and will keep those families informed.

HOME LEARNING

Teachers are checking to see which children are accessing the websites and links we have set up for each child in school. Please ensure your children make use of these brilliant resources. Usernames and passwords have already been given out; if you have mislaid yours, please contact school.

LEARNING TOGETHER

We would love to see what you are doing at home so that we can include updates each week. Please send stories, photos, drawings, quotes etc. to the school inbox:

stjohnsfrome@educ.somerset.gov.uk

Over the weekend, we will be setting up a closed facebook page for St John's families, to make it easier to stay in touch. We will send out a link early next week.
