FROM MRS MARSLAND

I have particularly loved walking around school this week, as the sound of singing and music can always be heard somewhere, and it's so lovely to hear.

Children are learning all the songs from the School/Home planning; they are doing Cosmic Yoga, Dance, Joe Wicks and Dough Disco and this week we had our very first Zoom Choir on Monday too, with children at home joining in with children in the school hall.

On Wednesday, children in the downstairs bubbles all started singing together spontaneously, which gave us an idea...

'I Have a Song to Bring'

OUR NEW INTAKE FAMILIES

At this time of year, we would normally be visiting our new children in their nurseries, and inviting families in to school to start to get to know them before September. This year, we are having to do things differently, so this week, Reception staff have starting meeting with them virtually instead.

It's lovely to be able to start getting to know you all!

STAFFING UPDATE

We are delighted that Ms Priddle dropped into school for a couple of visits this week. We are looking forward to more visits in the coming weeks.

We are looking forward to welcoming Mrs Jackson to the team officially next week; she will be leading one of our bubbles.

We also send get well wishes to Mrs Hiscott, who is getting over an illness (not Covid-related). We all wish her a speedy recovery and look forward to seeing her again very soon.

Everyone in our extended St John's family sends love and condolences to Miss Broderick, whose father passed away recently. On Sunday it is her birthday, which is also Father's Day, and she will be in our thoughts and prayers.

LEARNING IN SCHOOL

There are Elmers everywhere you look in school this week!
